

## Scavenger Hunt

Week 4: April 23<sup>rd</sup> – 29<sup>th</sup>

Solve each riddle to find the location within the library and the item(s) described. Write down in the space what the item(s) are, but be sure to leave each one in its location for the next person to find. In this game, you will find the answer to who our murderer is, what the murder weapon was and motive for the killing. The first person who turns in their form with the most correct answers will be the winner.

Clue #1: I'm the most popular WPL staff member always on the job. My official title is "Pogona Vitticeps" and the Land Down Under is where I'm from. You can watch my YouTube Channel or see me live. My place is with the young ones. My name is \_\_\_\_\_ and I'm a \_\_\_\_\_.

Clue #2: Digital communication, electronic in form, sent from one person to another, conveying information, pictures or thoughts. We can be read on a computer, a tablet or cell phone. The killer left me in the victim's office on her cart. Once you find me, be sure to read me. I'm an \_\_\_\_\_ and I'm proof.

Clue #3: When you have to purchase preschool to high school items. I'm the publication that will show you what you can buy. With the keeper of stats and data in a silver basket is where I'm at. While you're there, thumb through my pages and find additional evidence. I am the \_\_\_\_\_, with a \_\_\_\_\_ inside.

Clue #4: Numbers, lines and spaces, you see me daily, but don't even realize it. I'm important to the collection, on every item, all over the library and in the branch. You couldn't find inventory without me to identify it. I'm everywhere you look, including the victim's forehead. I am a \_\_\_\_\_.

Clue #5: I read codes of lines, spaces and numbers for inventory to be easily found. Others of my kind are also in the library, but I'm in the place where reference and collections are one. I was used as a murder weapon to kill that woman. I am the \_\_\_\_\_, involved in this horrible crime.

Clue #6: All pretty in pink, my jacket looks like a treat. I'm not as appealing, once you read my deadly name. The suspect and I have dozens in common, goods that are baked. Upstairs on the table beside the Acquisitions Clerk is where I'm hiding. My title is \_\_\_\_\_ and I'm a \_\_\_\_\_.

Clue #7: I list, describe and quantify items that were ordered. Included are the prices and date that I'm due. Because of the victim, I've been abandoned and sit here disgraced. I'm beside clue #6, in front of the pictures. You'll easily recognize me, I'm the \_\_\_\_\_ covered in red writing.
