**Fourth of July:** I'm excited to report that the library will be presented in Waukegan's Fourth of July parade. Staff and volunteers will be walking with our van in the parade and handing out goodies to viewers. I have also invited staff to use my front yard as a viewing place rather than fighting the crowds further along Sheridan Ave. Please feel free to stop by.

**Assistant Director:** Jon's first two weeks have been busy and eventful! We are glad to have him on board. Jon and I are already working on how we hope to move forward and how we might make the library an even more satisfying and welcoming place to work and visit.

**Policies:** Five policies will be going to the Governance Committee in July. Only one is a brand new policy. Once the Governance Committee reviews and approves them, they will be added to July's Board packet to action at the July Board meeting. Jon and I will be working together, along with managers and staff, to present updated policies to the committee at least every other month. Most edits will be formatting only or small grammatical changes.

**Director's University:** I attended a weeklong training in Springfield at the State Library earlier this month. Although I was familiar with many of the topics, it was helpful to get Illinois specific information and talk to other directors to understand how library law and culture work in this state. I came away with some useful ideas and bits of information, and even some new friends.

**SB35 Immigration Safe Zones Act:** We have been invited to sign on our support for SB35. This bill, which passed with bipartisan support, "will ensure that children, students, and families in Illinois have meaningful access to essential, sensitive locations such as schools, hospitals, clinics, libraries, and courthouses without fearing family separation". I have attached a copy of the bill.

**Libations for Literacy:** This Foundation event will take place on July 21, during Art Wauk.

**Parking lot wall:** The rear parking lot wall had to be removed as it was crumbling and leaning and was considered dangerous. Eventually a new wall or fence will be installed. Details will be provided when they are available.

**Trustee Retreat:** Our Trustee Retreat is in full planning mode. We will be meeting on Saturday, July 28, here at the library. Morning refreshments and lunch will be provided. We will meet 9AM – 3PM and cover a variety of topics, have some activity, and get to know each other even better. Your attendance will make this a successful and lively

retreat. If there is something you would like to learn about, please let Selina and Jon know so that it might be fit into the agenda.

**YA space:** Our new YA space will begin its transformation in the coming month. Friends book sale shelves will be reduced and be focused on the west end of the shelving range they are currently in. YA collections and displays will house the east end of the shelving range. New furniture has already been installed and a librarian will be assigned to the area after school hours. We plan to have the finished area debut in early August.

**Email address:** Please remember that we will be using your new WPL email address to correspond with you about library business. If you prefer to have these forwarded to your personal email address, please see Selina or Susan for assistance. In addition, you can always access board documents on our new board intranet. If you need the password again, please see Selina.

Hon. Bruce Rauner  
Governor  
James R. Thompson Center  
100 W. Randolph, 16-100  
Chicago, IL 60601

Dear Governor Rauner:

We the undersigned health, education, community, social service and religious organizations and institutions write to express our strong support for the Immigration Safe Zones Act (SB35) and respectfully urge you to sign this bill, which passed the Illinois General Assembly with bipartisan support.

The Immigration Safe Zones Act will ensure that children, students, and families in Illinois have meaningful access to essential, sensitive locations such as schools, hospitals, clinics, libraries, and courthouses without fearing family separation.

School districts, courthouses, hospitals and clinics have been struggling with fear in immigrant communities. Many have passed their own policies addressing concerns of families and students. This bill will provide a commonsense approach, standardized across the state, to ensure that these institutions are in compliance with state and federal law.

We would specifically point out to you, as someone who values education, that this bill will create policies to minimize fear of students and parents, and encourage children to attend school and parent participation without fearing for their own safety.

The Immigration Safe Zones Act passed with bipartisan support, was negotiated with stakeholders, and was NOT opposed by any of the law enforcement agencies in Illinois. This bill does NOT create sanctuary or protected areas--it simply clarifies procedures for state-funded institutions dealing with federal immigration enforcement.

Again, this bill passed the General Assembly without opposition, and we strongly urge you to support and sign it once it comes to your desk.

Please do not hesitate to contact Mony Ruiz-Velasco, Esq., Executive Director at PASO - West Suburban Action Project via email at [mony@pasoaction.org](mailto:mony@pasoaction.org) or by phone at 773-428-0164 (Cell) should you have further questions or need additional information. Thank you for your consideration and support of our children, families and communities.

Sincerely,

1 AN ACT concerning government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the  
5 Immigration Safe Zones Act.

6 Section 5. Legislative findings. The General Assembly  
7 finds that:

8 (1) This State is committed to ensuring that all residents  
9 are treated equally notwithstanding race, religion, national  
10 origin, disability status, sexual orientation, gender, or  
11 immigration status.

12 (2) All residents of this State are entitled to live with  
13 dignity and without fear.

14 (3) Immigrants are valuable and essential members of the  
15 Illinois community, and should be able to live full and  
16 productive lives without fear of the government.

17 (4) A relationship of trust between the Illinois immigrant  
18 community and State and local agencies is central to the public  
19 safety of the people of this State. This trust is threatened  
20 when State and local agencies are entangled with federal  
21 immigration enforcement, with the result that immigrant  
22 community members fear going to court, seeking basic health  
23 services, or attending school to the detriment of public safety

1 and the well-being of all residents of this State.

2 (5) The General Assembly shall continue to strive to create  
3 an environment where all residents are protected to the best of  
4 this State's ability.

5 Section 10. Model policies for immigration enforcement.

6 (a) In this Section, "immigration enforcement" means any  
7 and all efforts to investigate, enforce, or assist in the  
8 investigation or enforcement of any federal civil immigration  
9 law, including any and all efforts to investigate, enforce, or  
10 assist in the investigation or enforcement of any federal  
11 criminal immigration law that penalizes a person's presence in,  
12 entry or reentry to, or employment in, the United States.

13 (b) The Attorney General by April 1, 2019, in consultation  
14 with appropriate stakeholders, shall publish model policies  
15 limiting assistance with immigration enforcement to the  
16 fullest extent possible consistent with federal and State law  
17 ensuring the following facilities remain safe and accessible to  
18 all residents of this State, regardless of immigration status:

19 (1) State-funded schools, including licensed day care  
20 centers, pre-schools, and other early learning programs;  
21 elementary and secondary schools; and institutions of  
22 higher education;

23 (2) State-funded medical treatment and health care  
24 facilities, including hospitals, health clinics, emergency  
25 or urgent care facilities, nursing homes, group homes for

1 persons with developmental disabilities,  
2 community-integrated living arrangements, and State mental  
3 health facilities;

4 (3) public libraries;

5 (4) facilities operated by the Office of the Secretary  
6 of State; and

7 (5) courts of this State.

8 (c) The model policies created under subsection (b) of this  
9 Section shall incorporate protections against unreasonable  
10 searches and seizures and requirements for warrants based on  
11 probable cause guaranteed by the Fourth Amendment of the United  
12 States Constitution, Article I, Section 6 of the Illinois  
13 Constitution, and other relevant constitutional and legal  
14 protections. Facilities enumerated in subsection (b) of this  
15 Section shall implement the model policy or an equivalent  
16 policy. All other organizations and entities that provide  
17 services related to physical or mental health and wellness or  
18 education are encouraged to adopt the model policy.

19 Section 20. Review of file information; questions  
20 regarding citizenship. On and after the effective date of this  
21 Act, all applications, questionnaires, and interview forms  
22 used in relation to benefits, opportunities, or services  
23 provided by a State agency or in-State or in-district tuition  
24 verification, scholarships, grants, or services provided by a  
25 public elementary or secondary school or public institution of

1 higher education shall be promptly reviewed by that State  
2 agency, school, or institution and any questions regarding  
3 citizenship or immigration status, other than those required by  
4 statute, ordinance, federal law, or court order shall be  
5 removed within 60 days after the effective date of this Act.  
6 Sixty days after the effective date of this Act, an  
7 application, questionnaire, or interview form used in relation  
8 to benefits, opportunities, or services provided by a State  
9 agency or in-State or in-district tuition verification,  
10 scholarships, grants, or services provided by a public  
11 elementary or secondary school or public institution of higher  
12 education shall not contain any questions regarding  
13 citizenship or immigration status, other than those required by  
14 statute, ordinance, federal law, or court order.

15 Section 97. Severability. The provisions of this Act are  
16 severable under Section 1.31 of the Statute on Statutes.
